

THE LINUX Operating System

Feeling OVERWHELMED by Microsoft Windows?
Worried about viruses on your computer?

Perhaps THE LINUX OPERATING SYSTEM is the answer!!!

Join us for a FREE and FRIENDLY discussion and demonstration on how to INSTALL and USE the Linux Operating System on your computer.

KWLUG - The Kitchener-Waterloo Linux User Group is a monthly meeting of GNU/Linux, Free Software, Open Source and technology enthusiasts.
Where? When? We meet in Kitchener, Ontario, usually on the first (non-holiday) Monday of the month, starting at 7pm. Next meeting is Feb 5th.

St. John's Kitchen - 97 Victoria St. North

Note: This is our usual meeting location, but occasionally we hold meetings elsewhere. Each event on the website should specify its location. In particular, Laptop Rescue Missions take place elsewhere.

St. John's Kitchen is near the corner of Victoria and Weber streets in Kitchener.

Directions and additional information on parking can be found here:
